POPES PRAYER INTENTION FOR SEPTEMBER

Abolition of the Death Penalty

human person, may be legally
abolished in every country

WORLD DAY OF PRAYER FOR THE CARE OF CREATION

Pope Francis has established 1st September as the
World Day of Prayer for the Care of Creation,
encouraging the Catholic community around the
world to pray for our common home.

The day is inspired by Pope Francis' landmark
encyclical Laudato Si', which calls on "every person
living on this planet" to care for our shared Earth.
"Listen to the voice of creation" is the theme and
invitation of this year's Season of Creation. In his
message for the World Day of Prayer 2022, Pope
Francis calls us to use the season to "cultivate our
ecological conversion" and to pray together in
"the great cathedral of Creation". He warns that
we are reaching "a breaking point" and must act
decisively so that "we and future generations can
continue to rejoice in creation's sweet song of life
and hope."

There are many ways to respond to Pope Francis'
call to care for the gift of God's creation – why not
take some time out of your day on 1 September to
walk in your local park or take a few moments to
thank God for the flowers growing in your garden?
You can also join in praying the joyful mysteries of
the rosary for the care of creation. Despite the
challenges we face in caring for our common
home, we are called to hope and joy and so we
offer these reflections on the joyful mysteries to
nourish our commitment to care for the Earth.
If you have young children, you may also like to
explore the wonders of creation and
our responsibility to nurture and protect it.
The World Day of Prayer is another opportunity
for us to connect with our creator God and allow
the Lord to redefine our relationship with the
environment: from one of consumption and
control to one of care and protection.

WE SEE YOU

God of light and life,
we see you in the rising sun,
the golden fields of new daffodils,
and the feel of a spring shower. Help us to
see your light reflected throughout creation.

God of compassion,
you are there with those people
who are facing the effects of a changing climate,
and are affected by floods, droughts and famine.

Show us how to be there with them too.

God of truth and justice,
you hear those people around the world,
who struggle to make their voices heard.
Open our ears and the ears of those in power
to hear the cries of those living in poverty.

God of hope,
we see you in people who refuse to give up,
who will not lose faith and keep on fighting,
for your earth and for your people.

Lift us, so that we may never lose hope.

Amen.
